

Mine Planning Engineer

New Gold Inc. (NGD:TSX/AMEX) www.newgold.com is developing one of Canada's emerging large-scale underground block-cave mining operations, the New Afton Copper-Gold Project located only 10 km west of Kamloops, BC.

Our employees create a dynamic, supportive team that strive to make a difference in their workplace and are dedicated to making a significant contribution to the development of an exciting, new mining operation - The New Afton Mine.

We are seeking applicants for Mine Planning Engineer. The main responsibilities of this role include mine design, mine planning, drill and blast, draw control, ventilation, cost modeling and regulatory compliance. This role includes mentoring others in the Technical Services department and promoting team work to achieve department and site goals.

Qualified candidates possess a mining engineering degree supported by 7 to 10 years experience in the underground mine engineering field, preferably in block caving, or have an equivalent combination of education and experience. Successful candidates should also be eligible for professional registration with the Association of Professional Engineers and Geoscientists of BC (APEGBC).

Experience in 3D Design software, well developed communication and organizational skills, expertise in MS Office programs, and the ability to be a strong team player are also necessary. Experience with mining software (i.e. Mine 2-4D, PCBC, Vent Sim and/or Mine Sight), drill and blast experience, and process improvement experience will also be considered an asset.

We offer a competitive salary including bonus incentives and a comprehensive benefits package.

Kamloops is a city of 80,000 people, located 350 km east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own University and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and the vineyards of the Okanagan Valley.

Interested candidates are encouraged to submit a cover letter and résumé outlining their experience and qualifications. Please quote **Job #: 2010-004** in your application to:
